The Office of Environmental Health and Safety (EH&S) promotes a safe and healthy workplace for students, employees, and the surrounding community through the following programs and services:

**OCCUPATIONAL HEALTH**

- **Injury & Illness Prevention**
  - injuryprevention@usc.edu
  - Injury and Illness Prevention
  - Accident investigations
  - 24/7 Serious injury reporting
  - Report a safety concern
  - Heat Stress Prevention Program
  - Regulatory compliance
  - OSHA safety training
  - Job safety analysis

- **Industrial Hygiene**
  - injuryprevention@usc.edu
  - Indoor air quality sampling
  - Respirator fit testing/training
  - Exposure assessment
  - Regulatory compliance
  - Asbestos/lead monitoring

- **Shop Safety**
  - injuryprevention@usc.edu
  - Shop inspections
  - Fall protection
  - Confined space entry
  - Lock out/tag out
  - Regulatory compliance
  - PPE assessments

- **Ergonomics**
  - ergonomics@admin.usc.edu
  - On-line self evaluation
  - One-on-one evaluation

**RESEARCH SAFETY**

- **Laboratory Safety**
  - labsafety@usc.edu
  - EH&S Assistant - PI portal; chemical/bio agents/RAM inventory; training records
  - Lab hazard analysis tool (LHAT)
  - Controlled Substances Program
  - Annual/biannual laboratory inspections
  - Consultation services
  - Chemical hygiene
  - Regulatory compliance
  - SOP review
  - PPE compliance

- **Biological Safety**
  - biosafety@usc.edu
  - Annual lab inspections
  - BSL3 stewardship
  - Consultation services
  - Regulatory compliance
  - Biological use authorization (BUA)
  - Institutional Biosafety Committee (IBC)

- **Radiation Safety**
  - radsafety@usc.edu
  - Annual/biannual laboratory inspections
  - Permit approval
  - Rad surveys
  - Consultation services
  - Regulatory compliance
  - Laser safety program

**HAZMAT MANAGEMENT**

- **Hazardous Waste**
  - hazmat@usc.edu
  - Rad, chem, bio, and universal waste collections
  - Lab clean-outs/decommissioning
  - Fume hood decontamination
  - Equipment decontamination
  - Hazardous materials spill response
  - Sustainability: Reduce Reuse Recycle

- **Environmental Compliance**
  - hazmat@usc.edu
  - CUPA permits - hazardous materials disclosure
  - DTSC Biennial Hazardous Materials Disposal Disclosure
  - AQMD - underground fuel tank permits
  - Facility permitting/auditing
  - Hazardous waste transportation permits

**TRAINING/OUTREACH**

- EHS@usc.edu
  - Fact Sheets
  - Trojan Learn
  - In-person training sessions
  - Safety videos
  - Web updates
  - Email blasts

**PPE**

- EHS@usc.edu
  - Lab Coat Laundering
  - Lab Coat Loaner Program

**EH&S maintains 24/7 On-Call status for DPS emergency notifications**
